Anchor Construction is an Equal Employment Opportunity/Affirmative Action Employer. All qualified candidates will receive consideration for employment without regard to race, color, religion, sex, gender identity, sexual orientation, national origin, disability, protected veteran status or any other characteristic protected by law.

**Grounded in Excellence**

Since 1985, Anchor has been a trusted heavy civil contractor to federal, state and local government agencies, private organizations and commercial institutions throughout Washington, D.C., Baltimore and Northern Virginia.

When Anchor first opened its doors 35 years ago, the company specialized in surface restoration projects. Today, surface restoration is just a small part of the comprehensive suite of full-scale utilities and infrastructure services offered by Anchor.

Identified as an 'essential business' earlier in 2020, our team of highly-skilled professionals continue to build and rehabilitate critical infrastructure every single day for the public good.

It's time you joined Anchor!
